I understand that The Puddle is not a licensed veterinarian facility and in compliance with Illinois State Law 225, section 4, point 8 - we do not diagnose or cure specific ailments, perform surgery or prescribe medications. I also understand that bodywork and swimming is not a replacement for proper veterinary care and that any injuries or diseases must be medically diagnosed and treated by my veterinarian. I further understand that a complete history is necessary for accurate treatment of any kind and that participation by the owner/handler is essential to achieving beneficial results. Further, I understand that The Puddle is not responsible for any damages to persons or to any property caused by my dog(s) or cat(s).*

*I understand that swim sessions consist of activities such as swimming, stretching, floating and gentle touch in the warm waters of the pool and that each session is dependent on things such as the condition and age of the dog, the goals of the owner, the nature of the dog's injury (if any) and how the dog emotionally reacts to the water. The Puddle is not responsible for any injuries incurred by myself or my dog(s) as a result of the use of the pool. I understand that payment is due in full at the time of treatment.*

**\*What if my dog poops in the pool?** *If your dog defecates in the pool, we must immediately shut the pool down and contain the damage. The pool must remain closed for a minimum of 24 hours depending on the severity of the damage. For this reason, the swim session is immediately cancelled, and payment is non-refundable. We also reserve the right to assess the dog parent an additional fee of \$150 to partially cover the cost of cleanup.*
